**CAUTION TO BE TAKEN WHILE ATTENDING GULF COUNTRIES INTERVIEW:**

1) Before attending any gulf countries interview, u check the company profile. Best way is to check with the relatives or friend who r already working in gulf countries regarding company facilities ,SALARY PACKAGE etc. Usually if you check in company websites u will not get sufficient information about their working atmosphere of the company bcz there r many companies in gulf who will hold ur 2 month's salary and they will not give salary at proper time and facilities like food and accomodation will not be good,....Also some companies hold the Educational certificates.

2) **At any cost don't submit ur original certificates to agencies or companies** (even if it is good company with good salary package) only u show ur original Attested certificates at time of interview..U submit only Xerox copies and keep all ur certificates scanned in EMAIL.Better dont bring any certificates with you during departure to Gulf.

3) without getting offer letter and ur entire satisfaction don't submit ur passport to recruiting agencies

4) Remember any good company in gulf will give the following facilities—so plz check the following checklists r mentioned in offerletter.....

Free food (Indian food) or food allowance(atleast 600 riyals to 800 riyals)
Free accommodation or allowance
Free Medical insurance
Yearly to and fro airticket with 1 month paid leave
Overtime above 8hrs working time(AS PER LABOUR LAW)...IF Company not prociding overtime DEMAND FOR GOOD BASIC SALARY
Free transportation or allowance

5) Before attending any gulf countries interview check it out whether it is free recruitment—usually good companies will not charge any recruitment fee.some agenciencies will collect only 5000 indian rupees for medical charge..if any agencies ask more than 10 k that means the company is not a good company...

6) keep ur original degree certificate get attested in advance (so tat u can demand for professional visa during interview process) for getting this attestation u can do by urself but it will consume ur time (around1.5 months), so to save time there r attesting agencies just submit ur certificates to them and pay money around 5k to 6k Indian rupees....they will do the following below attestation,

**For example a person graduating from Tamilnadu has to do the attestion from below mentioned areas**

- From tamilnadu secretariat-Chennai(if a person graduating from tamilnadu)
- Ministry of human resources –newdelhi
- Ministry of external affairs-newdelhi
- Respective country embassy(Qatar or Kuwait, Bahrain or oman or Saudi AS per ur requirement)
